Pursuant to 37 C.F.R. § 1.56, and without any assertion as to materiality or prior art effect, the documents listed on the attached Form PTO/SB/08A are hereby cited, and copies are enclosed herewith.

This Information Disclosure Statement is in response to the Examiner's requirement in the non-final Office Action dated August 16, 2007, for copies of the journal articles referenced in the IDS filed on March 17, 2004, because it failed "to fully comply with 37 CFR 1.98(a)(2), which requires a legible copy of each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed."
